- [**Bremen Educational Foundation**](#) :

The Bremen High School Class of 2002 approached the school system with the idea to raise funds to purchase/construct a new scoreboard for the high school stadium. Further, the Class of 2002 wants to raise the funds in honor of their classmate Paul Saylor. On August 15, 2005, Army Sergeant Paul Saylor died while serving in Operation Iraqi Freedom. Paul was known for putting others first, and in that spirit, Paul's classmates feel strongly that Paul would want all veterans recognized as a part of this endeavor. Hence, the name of the scoreboard will become "Paul Saylor Memorial and Veterans Scoreboard". Over 100 Veteran's names we will honor with the memorial in addition to Paul. More than anything, we love that Paul's service and sacrifice, along with other Veterans, will not go unnoticed and thousands of students who come through Bremen schools will have the opportunity to observe and learn the importance of honoring all who served for generations to come!
