

PARADE VOLUNTEERS, THANK YOU!

AS OF MAY 12th: VOLUNTEER COUNT IS 260 OF 260

(So no more volunteers are needed)

Attention Preregistered Parade Volunteers,

Arrive in the staging area by no later than 0900, and then go to the FHOG tables located under the Hebron Baptist Church 'Worship Center' sign. At the tables volunteers will receive one ticket per volunteer that will be exchanged for one sign per ticket. Volunteers will receive the same number of tickets as was requested by the volunteer when registering to carry a sign, and a list of volunteers is at the bottom of this message. Tickets are given out early so that we know enough volunteers are in attendance.

At 0930, volunteers will be given baby wipes to clean hands free of makeup and oils that can damage the signs. Tickets will be exchanged for signs following the hand cleaning. After receiving a sign, do not set the signs on the ground, drop or handle improperly.

At 0945 volunteers will start being assigned already marked staging positions. Family members of the Fallen will lead the parade, and others will fill in behind. Four vehicles will be mixed in with the parade volunteers, so be aware of your surroundings. Working 260 volunteers into one staging area will require patience on everyone's part, so thank you in advance for your help in this matter.

Very important, spacing of rows while on the parade route will be much greater than in the staging area. The middle volunteer in every row will lead that individual row by making sure that row maintain proper spacing forward and back as well as side to side.

At 0950 announcements and additional volunteer direction will be given. While in staging avoid placing your hands directly on the image on the front of the sign.

At 1000 the parade begins, and by 1005-1015 our group will be exiting our staging location. As volunteers exit our staging area and before entering the roadway, direction will be given to each individual row to keep proper spacing between rows. While on the route, please maintain 5 paces between rows and 2 paces side to side between each individual row volunteer.

Clothing:

- Dress weather appropriate, closed toe shoes preferred (**no flip flops due to the noise they create while on the parade route**). Fallen Heroes of Georgia 5K tees, military uniforms, Fallen Soldier tees, and patriotic shirts are all certainly welcome.

Weather:

- The parade will be held rain or shine. Our organization is only one of the participants in this parade, so in an event of a weather related concern our organization has no say as to the operations related to the parade.
